

Maricopa Association of Governments
Social Services Block Grant
Fact Sheet Template
Draft July 24, 2008

This document is intended to standardize the information presented for the each target group funded by the locally planned Social Services Block Grant. The focus of the service impact is global in nature because it is difficult at times to determine the outcome of the services supported precisely by this funding source.

1. Purpose Statement

(Describe the impact desired by the funding)

2. Demographics

(Compile current, regional statistics on the following)

- a. Age
- b. Race/ethnicity
- c. Gender
- d. Income
- e. Employment
- f. Assistance levels
- g. Disability rates
- h. Family status

3. Gaps and Impact

(Try to be as specific as possible for the wait list and more global in nature for the estimated number of people eligible and the impact)

- a. Wait list data
- b. Number of people estimated to be eligible for services
- c. Global impact of services
